Detailed description of project						Type of services provided		
<p>Implemented a feasibility study to determine in what manner the Agriculture Vocational Training Sector could be developed. During the assignment the team determined agro-sector needs, ATVET needs for specific Government Initiatives, defined current TVET skills supply, and discussed policy plans with different Governmental Stakeholders. Based on the study a phased approach for the implementation of the new policy and the establishment of an ATVET training centre was introduced to the Khartoum State Government.</p>						<p>Cadena was responsible for:</p> <ul style="list-style-type: none"> ✓ Feasibility study ✓ Desk study ✓ Development of policy document ✓ Development of project implementation plan
