Detailed description of project						Type of services provided		
<p>The National School of Government (NSG) runs a programme targeting improved access and entry of unemployed graduates and inters to the public service called “Breaking Barriers to Entry into the Public Service” (BB2E).</p> <p>This project will contribute towards building a capable state, responsive to the needs of all its citizens and the promotion of national interest, accountability and transparency in service delivery, and utilising public resources in an effective and efficient way.</p> <p>For this project, the BB2E program needs to be evaluated on its implementation to date and an Evaluation report on the BB2E programme needs to be provided. Based on this evaluation, improvement and programme enhancement will be proposed as well as related implications for the NSG for consideration and approval. Lastly, an Implementation plan will be developed for the incorporation of the programme enhancements and improvements in the BB2E programme.</p>						<ul style="list-style-type: none"> <li>✓ Evaluation the various components of the BB2E programme as implemented by the NSG to date</li> <li>✓ Data and information gathering through interviews with a sample of the youth trained to date (from the 6458 trained)</li> <li>✓ Interviews will be held with government role players</li> <li>✓ Focus groups will be conducted to explore further the information gleaned through the sample survey of trained youth</li> <li>✓ Sector learnings and best practices, locally and internationally on youth capacity building and employment initiatives will be reviewed and incorporated</li> <li>✓ Proposals for the improvement and enhancement of the programme will be provided</li> <li>✓ Outline the implementation implications and an implementation plan for the recommendations made for the programme</li> </ul>
