Detailed description of project						Type of services provided		
<p>The program “Strengthening governance of social protection in Lesotho: building an integrated social protection system” has been developed to advocate for and provide support to social -protection mechanisms by improving and expanding social-protection services.</p> <p>The objective of this mid-term review is to provide the NISSA (National Information System for Social Assistance) stakeholders, notably the EU Delegation (EUD), the Ministry of Social Development (MoSD), UNICEF and the members of the NISSA National Steering Committee, with evidence to make informed judgement about the past performance of the project, to document lessons learnt and to recommend possible adjustments or re-orientation for the remaining period of project implementation.</p> <p>This assignment will therefore review the Social Protection programme in view of the following objectives:</p> <ol style="list-style-type: none"> i. To asses the programme against the evaluation criteria (relevance, effectiveness, impact, efficiency, sustainability); ii. To asses lessons learnt and recommendations for the rest of the implementation period. 						<p>Cadena tasks included:</p> <ul style="list-style-type: none"> • Initial document /data collection, preliminary background analysis, critical review and stakeholder analysis; • Revisit the intervention logic, methodology design of the evaluation; • Update field work approach and workplan of all phases. • Gathering primary evidence, undertake primary data collection, cross checking analysis and verifying data, debriefings and presentations of intermediary findings; • Final analysis of findings from evaluation questions, formulation of overall assessment conclusions and recommendations; • Preparation and submitting of Inception Report, Intermediary Report and Executive Final Report and Executive Summary.
